

Graduates 2020

Apply to a Green micro-commission

Footprint Productions will be giving micro-commissions of £100 each to **two Female graduates from ethnic minorities** to create a short digital solo on a theme connected to environmental issues.

For this round, the opportunity is open to 2020 graduates only with a BA in any performing arts disciplines and who are specifically interested in becoming ***solo theatre-makers***.

We are particularly keen in hearing from those who want to use digital platforms creatively instead of just performing a monologue to the camera. You can create simple engaging digital content with spoken word, an audio-play, a dance, puppetry, a series of drawing, a composition or a combination of these.

- Applications open on Wednesday 22nd of July & close on the 05th of August 11.30pm

Info:

- Your digital solo should be no more than 8mins and for a specific digital platform such as Instagram, zoom, facebook, youtube, a podcast or other.
- Your digital solo can be live or pre-recorded.
- Please note you'll be responsible for the technical aspect of your commission. You can collaborate with other creatives, but bear in mind we will not be able to offer more than £100.
- During the creative process, you'll have 2 mentoring sessions with Footprint's A.D. and solo artist Gaël Le Cornec and one digital technology session with Ben Samuels from mixed-reality company Limbik Theatre.
- The final commission will be released online in September on Footprint Productions website and all their social media platforms.
- Successful applicants must be UK residents.

Submit your application to info@footprintproductions.co.uk with:

1-Your name & the name of the course you graduated in 2020:

2-The specific environmental issue you want to explore and why (Max 150 words):

3- What digital platform you want to use:

3- A link to images and/or videos of you in previous work

4- A video introducing yourself and outlining your creative idea (2 mins max)

Note on Ethnic Minorities: Arab, Asian, Black, Latinx, People of Mixed Heritage, Gypsies, Other white (e.g. continental Europe migrants). If you consider yourself a UK ethnic minority and you're not in this list, please still apply.

We are expecting a high volume of applications, and unfortunately won't be able to provide feedback on unsuccessful applications this time round.
